Posted on :	23/07/2019

---

**DESCRIPTION**

A valuable overview of medical and surgical conditions encountered in dental practice. Treatment advice, drug interactions, and the impact of general medical and surgical conditions on treatment planning are all covered with a comprehensive but practical approach. The book usefully addresses considerations in particular patient populations.

- 253pp
- 69 colour illustrations
- Hardcover
- Price: £109.99
