## DESCRIPTION

Dental Sedation Courses offer a new and exciting range of conscious sedation courses for the entire dental team; IACSD accredited for both intravenous and inhalation sedation and with all theory completed online; quality sedation training has never been more accessible.

We have the widest range of travelling mentors of any conscious sedation training course as well as a sedation mentor centre where patients are provided to complete your required cases (dentists and dental nurses) - for the NEBDN certificate too.

Why Might Dentists learn conscious sedation

- ✓ Increase treatments offered
- ✓ Improve patient comfort
- ✓ Avoid referrals OUT
- ✓ Increase referrals IN

- ✓ Improve practice profile
- ✓ Attract new patients
- ✓ Acquire future NHS contracts
- ✓ Improve Income
- ✓ Remove the stress of treating anxious patients

And for Dental nurses, despite the guidelines making it a necessity for working with sedation patients; feedback tells us that being sedation qualified often improves: confidence, job satisfaction, responsibilities given, often increase in pay among many other things.

#### Benefits of Our Training

- ✓ Save time and money by completing all theory online
- ✓ Start any course anywhere and at any time by enrolling online
- ✓ 7 days support for any questions, queries, problems along with 12 month access to all online materials
- ✓ Free recommended textbook and branded resources USBs for all delegates
- ✓ Completely flexible learning
- ✓ Bespoke options available for any number of delegates and all manner of conscious sedation training needs.
- ✓ Full support through mentoring either in your practice or at our sedation centre or approval of your chosen mentor
